

TOP 10 WAYS

TO USE

Mosaic™ by ACT® Adaptive Academic Learning

FOR ADMINISTRATORS

1

Give your teachers and students a tool to accelerate learning

6

Create and assign assessments to prepare students for high-stake tests

2

Bulk upload teachers, classrooms, and students for a smooth implementation

7

Run schoolwide reports and gather insights into grade-level concept mastery

3

Create and share learning paths to standardize learning school and district-wide

8

Export or document progress data on common core standards

4

Save time and paper for your school with Mosaic by ACT online homework

9

Review how teachers, classrooms, and students are doing using school-wide reports

5

Make it quick and easy for your students to sign-in using various sign-on options

10

Engage parents with free parent accounts and automated reminders
